Manufacturer

Access industry expertise

Navigating the automotive sector is complex, but incorporating the right guidance, at the right time, can unlock significant opportunities and mitigate risks. Our data is accompanied by:

- **Full supporting text** discussing the macroeconomic developments underlying our forecasts.
- **In-depth assessments** of each major OEM, including capacity, strategies and prospects for future developments and monthly commentaries on the industry.

Power business decisions

Access and interpret the data on **Compass**, our delivery and interactive analytics tool.

Download our services and visualise our data and forecasts in a variety of innovative ways.
